

SAGA 1983

# SAGA 1983

Blair High School Pasadena, California

#### PASADENA...

What is Pasadena? To some it is a meaningless word. To others it is the location of the famous Rose Parade and Rose Bowl. But to us, those who attended Blair, Pasadena is a place of many memories.

Pasadena was where we stayed in the growing years of our lives. We formed relationships, slowly learning how to interact with one another through our many mistakes. We were educated, making a solid foundation upon which to build our futures. We discovered what we liked and who we really were.

In our activities, we uncovered the uniqueness of our city. There was so much that was special about Pasadena: its history, its fame, and its diverse opportunities. But, above all, Pasadena was our home, and we will remember it as such.

What wait school all about? Was it the four hours nightly of homework; Was it the ancies exams for which we prepared to alligantly? Was it the completion of the Profesence NATE of the completion of the Profesence NATE of the completion and the rances received out stay all state was the friendships was made and and the profesence.

Irinnoinial malimade and med here covered and med here investmenty made bearable by frinancia. The least this least the least was joy time sorrows, the least the least the received in all about 1996 we in and these leasts and remember, in a management. When makes about the good times in high school we recall the "acrecibility borboth games" this beautiful, blomecoming, that spirated assembles, the fantastic Prome the science because in the fantastic Prome the science that we want friends the trials and the formework, but we will always cherish the friendships

If there was one thing for which the 1983 students of Blair will be remembered. it was the all-around success of its athletic department. Blair had not one, not two

but four teams go to the C.I.F. playotfs
Under the guidance of Herb Robinson,
the football team qualified for post-season play for the third consecutive year Ray Skinner, Harry Johnson, Dave Aebersold and Andy Provence were integral parts of the team

Despite a depleted bench, Pete Cohen's waterpolo team became the first in Blair's history to reach the third round of C.I.F. Ian Sherry, Jo Wade, and Greg Wade were the leaders

Finding the recent change in leagues advantageous, the basketball team, under Jim Hennacy, was easily eligible for the postseason tournament. With Glenn lackson and Darren Underwood at the helm, the team had a banner year

Coach Ty Gaffney molded a young and inexpenenced team into a top contender rolling easily into a playoff berth. Faustino Ramos, Sam Putfinberger, and Mike Miele were key factors in the team's success

Combine these accomplishments with some superb performances by individuals on the track and swim teams, and it appears obvious that Blair more than left its mark in the California Inter-scholastic Federation

#### IT WAS THE BEST OF TIMES ...

### We Are...

The 1982-83 cheerleaders prided themselves on many things this year bulperhaps their best assest was their uniformity. Their excellent year was due in part to the time they spent at Camp Unity in Santa Barbara. This summer camp was something Blair cheerleaders had never attempted before Each girl brought home many outstanding ideas for routines as well as ribbons and awards. In addition to this, the Song Girls successfully achieved the honor of second place among a group of 24 squads. This was made even more amazing when it was

announced they missed first place by a single point. They were graded highly on their intricate and precise routines as well as their originality

The Varsity Cheer was made up of six very creative girls. Their spirit seemed endless as they cheered the teams on to victories. One would always find these girls working hard to improve their new routines Being all Juniors, Blair eagerly awarts their return next year

The Song Girls did a fantastic job this year of uniting the student body at peprathes and football games. They worked

### **Red Hot!**

diligently throughout the summer and after school to invent and practice difficult new routines which they performed with great precision.

The Junior Varsity Cheerleaders added vigorous support to Freshman and Sophomore football and basketball games as well as helping in the crowd at Varsity contests. Their responsibilities included painting signs and bringing treats for their football and basketball brothers

Despite a small squad, disagreeable weather and excessive absences, the

short flags were as enthusiastic as any of the former squads at Blair Twirling flags tilled the air as the four member squad waved to cheering crowds. The girls returned from Camp Unity with the idea of double flagroutines which they reserved for special events. This further enriched their vast collection of cheers

Advisor Mr. Rowley effectively guided each of the 22 girls through a stimulating year. The 1982-83 Pep Squad was by far one of the most exciting and colorful

Girls 21

Top: Nicole Brown, Dawn Gordon, Sabrina Hammond Right: Diane Jones, Tonya Ryan Below Center Zondria Thorton

### Let Me See You Get Down

Beginning with afternoon practices during the summer and enthusiastic participation at Camp Unity in September, the 1982-83 Tall Flag and Drill team squads went on to bigger and better routines With their hard working drum major, Brad Land, and their spirited captain, Zabrina Horton, at their side, they were a tremendous success Besides bringing to Blair, new ideas, routines and awards they brought back SPIRIT<sup>1</sup>

On the field with the cheerleaders. Michael Cuiross and Alan Spee could be found promoting school spint. They were picked from a field of six contestants who competed for the positions of 1982-83 mascots. The two attended exciting assemblies, the thrilling football games, and the enthusiastic pep rallies at lunch time to arouse spirit throughout the crowds. We look forward to seeing Michael and Alan next year.

### Jam With the Band

The band was small, but I was very encouraged by the activities and taient of the students," said Mr. Dougias Rowley, a former band president in the Tournament of Roses Band Mr. Rowley, a high school

graduate of PHS and college graduate of Cal State L.A. was new at Blair

His main focus for his first year was to change the band from a marching band to response to the band's renditions of the a pep band as many colleges have, due to

size. To accomplish this, he added synthesizers, an electric guitar, and an electric bass. The crowds danced wildly in latest tunes

#### Our Student Body Government

The A.S.B experienced many new changes and additions to the class this year. With the new advisor, Ms. Wyokoft and additional members such as class representatives, vice presidents and newly elected commissioners, they all had to work together in order to achieve all of the goals they set at the beginning of the year.

Ms Wyokoff arranged to have assembly rehearsals at lunch on the day before the assembly. Then Heidi Evans and Ms Wyckoff would view each of the participants and if they were unorganized and not ready, they would not perform if there were too many unprepared groups the assembly would be canceled. The rehersals helped improve the assembles

tremendously. The pep commissioner arranged many pep-rallies that took place on Fridays in which there was not an assembly

For Homecoming, A.S.B. felt it was better to have an election ballot due to everyone leaving at lunch. The candidates pictures were posted in the A-campus show case for all studentbody members to view. This helped for students to associate names, with faces. The elections ran smoothly and there was more participation and less complaints. The election ballots and photographs proved to be effective.

A proposed constitutional amendment was brought up concerning the elections during the spring semester to be open to juniors, sophomores, and freshmen The ASB felt that the graduating seniors would be less interested in the officers returning the fellowing tall. An election was held and the constitutional amendment was passed.

On January 19, 1983 the A 5 B sponsored a Leadership Conference. This was a rewarding experience for all, in that it allowed Blair students to listen to a wide variety of speakers and then convene in discussion groups to discuss controversial issues of Blair High

## FACESIN

# THE CROWD

Yes, that's right folks, the most ularious event of the year hit our school on November 11, 1982. For sixty ninutes, members of the Varsity aseball Team and the Faculty performd various feats with the enthusiastic upport of the crowd. The usual object it scoring points was a minor tacet of his game, with the first and foremost im being to stay seated on one's ass cooperation among the donkeys was seldom present, and the majority of the game was spent trying to persuade the stubborn creatures to move

The Faculty surprised the Students with an overpowering victory, leaving the students in awe of their ability to handle the donkeys. What the students tailed to realize was that teachers have dealt with that level of mentality for years

Opposite Left: Shrewdly planning his next move, Todd McIntyre warts patiently for the opportunity to apply it Opposite Top: Willing to do almost anything to get the ball, limmy Cetina dives to the floor head first. Center: Mike Culross works hard to get his stubborn ass moving. Opposite Bottom: With a bewildered look. Ben Steelhead is confused about whether to concentrate on holding on to the ball or the donkey Top: Dave Armatorio, attempting to get possession of the ball, is pulled away by his own donkey Above: A jealous opponent slyly pulls the donkey out from under Damon Wing

Every two weeks a concerned group of people, under the title of the School Improvement Committee, and headed by Bob Miele met to discuss areas of desired improvements at Blair

Topics of discussion this year included the proposed eight period day, the purchase of a new copy machine, suggestions for lunchtime activities, and the Statt-Development School Plan. But the biggest concern of the group this year was the lack of appropriated funds. Those who will continue to serve as members next year are hopeful for a greater account.

#### Culture Shock

Step on into the bus, folks. If you want to see the entire foreign language department of Blair High School, Pasadena California, we'll have to hurry' Step on in, folks. Come see the sights. Here we go!

Good afternoon, ladies and gentlemen 1 am sure you will enjoy your tour. For your personal safety, due to the large number of unpredictable, ferocious animals on the campus, we ask that you please keep your arms, legs, alcoholic beverages, and punk rock albums inside the bus

Coming up on your left is the Spanish department, famous for its field trips to Mexican restaurants. Notice the two menin the corner eating tacos. They are the Spanish teachers, Dr. Battaglia and Mr. Dden

Next, to the right, is the French department. The men wearing berets are the leachers, Mr. Joiner and Mr. Liden

To your far left is the German department. Can you see the Volkswagen factory? The head mechanic is the German teacher Mr Joiner

Our last stop is at the Latin department The scholar translating ancient Roman writings is the Latin teacher, Mr. Creeth Hello, Mr. Creeth! How's the wife?

Well this concludes our tour of the Blair Toreign language departments. Please wait until the bus comes to a complete stop before exiting. Thank you for touring with us, and I hope you enjoy the rest of your stay in beautiful Pasadena

Above Left: Students eagerly search for information Lie Greigh language reports. Above Right: Mr. Liden. and Mr. Creeth. Center Left: Ready, aim, bilingualize! Center Right: Dr. Battaglia. Far Left. Mr. Joiner and M Gallo Left: Mr Creet is astonished that someone actually raised his hand in class to answer a QUEST-10

#### Hear Ye!

Fellow students of Biair who have an interest in art. Today we will suit your de ight

First up in our department we have ceramics which includes a wide range of projects dealing with clay and pottery Do I hear a bid for one semester or for a one year course? Next up we have cartooning and art. You have the choice of anything from exotic designs to unique creations in either of these courses Who knows, you might become another Leonardo da Vinci. Do Fhear a bid for this subject?

Crafts and jewelry are next on our agenda. Both topics have a variety of fields in which to explore

Last up on our list is art history which is more appealing to deep lovers of art In this course you will get a brief background of the various types and styles of art works throughout history May I possibly get a higher bid for this subject from one of our educated scholars here/

Well, this just about ends our auction Next year, these same courses will be offered for the same cost just a little imagination and effort!

Top Left! Mr. Melie. Top Right: Ms. Morris. Middle Left: Martha Conner gets deep down into-Inishing her creation before the period ends Middle Right: This unknown artist works hard -get the perfection she wants for this project Right: Pottery classes can be fun but they can be pretty messy too.

# We Can COPE!

Being a mother is very hard, for it takes lots of patience, love, and responsibility Biair's COPE program is presently directed by Ms. Covington, who helps to teach the young mothers about parenting and child care. After a girl has her baby, she can return to school with her child and during the day the babies are cared for in the COPE nursery. This allows the girls to attend classes during their pregnancy and atter

Next semester, the COPE program will be expanded so that girls who have babies between the ages of six months and two years can participate also without having to find a sitter. Right now, the program on-Ty includes babies under six months. So far this program has been successful and its expansion will help other young mothers continue their educations after becoming pregnant instead of dropping out

Above: Mrs. Covington Center: After six periods rest and relaxation are exactly what this mother and son need. Near Right: In this program, babies get tender loving care even when the mothers are in class. Far Right: The COPE nursery provides the necessary equipment for the comfort and safety of the babies in the program

# We're Special

Blair's Special Education department en compasses a large range of programs which help students with physical and mental learning disabilities. The program allows those who are not disabled.

Some of the courses offered are Speech. Therapy, Deaf Communication, and Adapted P.E. classes along with the normal rtaily curriculum of regular classes. Special Ed students are hopefully mainstreamed into regular classes, depending on their abilities. Everyone has some type of han dicap, some more than others, and Special Ed wants to give all their students a highling chance.

### Vikes Reach C.I.F. to Cap Off Winning Year

The Vikings once again had a winning season, led by Coach Robinson and Assistant Coaches Ben Steelhead. Lou Riey, and John Brown. Although the team lacked expenence, the first three games proved that that was not a strong tactor. At this point, the Vikings were undefeated and looking for another win The next week, when playing Ontario Christian, Blar suffered a 7-6 loss, ending the streak abruptly.

At P C C for the second home game of the season, the Vikings had a good start against Santa Paula, which turned into a 28-14 win for the Vikes. The first eague game, against Temple City, was very close. The Rams led the game until the final two minutes, when the Vikings made a brilliant play for seven points. Ray Skinner passed to senior Andy Provence who raced to the end zone, breaking numerous tackles. A key block by Mickey Pulley made the play possible. The final score was 24-17, with the Vikings on top and Blair had won its first league gam.

The second game against San Marino found the Vikings once again coming trom behind. In this game, the Varsity

achieved another comeback through the efforts of Ray Skinner, who threw an excellent pass to Darryl Austin in the final quarter for a touchdown completion. This was Blair's second league win. To have another league victory, the Vikings would have to defeat Monrovia. Knowing they must win to gain the league title, the Vikings jumped in front at the start of the game. But the lead did not last long as the Wildcats came back quickly to even the score. Blair never managed to regain the advantage, as penalties and turnovers contributed to the loss.

Coach Robinson questioned many of the calls that the referees had made during the contest. He particularly objected to a penalty against Ken Terry that halted a promising drive and led to an interception ending the effort. Varsity now had two losses. To add to the humiliation, the contest, was stopped with twenty-six seconds remaining, due to a series of technical foul calls against Biair.

In their next game, the Vikings soundly deteated the South Pasadena Spartans 21-0. The team was truly functioning as a unit at this point.

The Homecoming game pitted Blair against La Canada in the closest match of the season. Both teams played sluggishly. in the first half, neither one able to score Biair put the first points on the board on a touchdown run by Harry Johnson. The score remained 7-0 until La Canada managed to come back with less than a minute left. The score was 7-6 with Blair still in the lead. In a momentous decision. La Canada decided to go for the win, trying a two-point conversion. Two delay of game penalties put La Canada back, hurting their chances. When the Spartans started the play, the Viking defense quickly swarmed in, crushing La Canada's hopes for the win

The Vikings ended up with a 4-1 record in league play, 8-2 overal Although Biair missed the championship, Varsity captured a C.I.F. berth. This was Varsity's third consecutive winning season.

Next year, the Varsity will need to fill some positions, including quarterback and three of four defensive backs, as the Vikings will attempt to have four consecutive C.I.F. berths

A hard hitting Blair line makes a hole in the Spartan detense for Harry Johnson

## Runners Struggle With New League

The Blair Cross Country Team was faced with many obstacles in their new league New tracks and new rivals presented stiff competition for the runners. Despite these problems, the team finished with a respectable 2-4 record. The two victories were at the expense of Muir and Schurr high schools

Fitth-year Coach Don Molloy pushed his young team to the limit and expects high standards for next year. He loses only three seniors' season.

Leading the team were Trinidad Alcarazi Suresh krishnan, and Lawrence Robertson. Francisco Robles Tom Seeker Paul Bodenshot, and Stanley Herzog were other ma jor contributors to the team Eleazar Vita and Ted kock led the sophomores

The Girls' Varsity was anchored by juniors Karen Baldeschwieler, Sheri Castro and Jessica Lambert Mr. Molloy was pleas ed with their performance and eagerly awaits their return next year

# Victorious

The 1982 Waterpolo Team, led not only by veterans, but also by first year Varsity players, was as skillful as the team that preceded it. Despite the need of a usable pool at the beginning of the year, the waterpolo team, due to excellent coaching by Peter Conen, roared to a smashing season

Non-league play was highlighted by the Montebeilo Tournament, where the Vikings reached the finals, but lost a hardfought match against Wilson High School of Hacienda Heights

Blair completed league play with an excellent 5-2 record and 10-4 overall. The Varsity team was led by seniors Jan Sherry lo Wade, and Greg Wade. These players were the key to the success of the team to scored an amazing 112 goals, breaking the previous Blair record. Jan showed his great skill by scoring 75 goals. Greg, with his speed and determination, accounted for 90 goals. Also valuable assets to the team were Jeff Jones, Kevin Turk, Brad Pickening, and Goalie Dave Ochoa

Blair entered the first round of the CIII playoffs, where they disposed of La Quinta 20-11 In the second round, they met Santa Fe. Santa Fe was ranked very highly in its league, but the Vikings, with thir talent, pulled off a surprising 13-9 victory. For the first time in Blair's history, the waterpolo team made it to the third round of the C.I.F. playoffs

Definitely their biggest challenge, the Vikings faced number one ranked Servite of Anaheim Servite, with players of massive stature, overpowered the Vikings in a 12-4 win. Even though this game brought the waterpolo season to an end the Vikings once again showed that they were a team of much unity and strength

The Junior Varsity team, coached by John Hoffman, consisted mostly of underclassmen and had a good season learning and developing into strong players for future Varsity teams. Key players in cluded Robbie Hendrix, John Maisterra, Pat-Bodenshot, John Chew, and Monica Gonzalez

# Sprinters are Spirited

Exibiting the results of long hours of practicing and determination, the 1983 Viking Track Team proved to their rivals to be a strong contender in their new Rio Hondo League. The runners were led by head coach Don Molloy while the field eventers were led by assistant coach Ben Steelhead Sr.

Although some team members began practicing during first semester, the team did not actually form until February. Coach Molloy demands three things from his runners, the commitment to practice everyday, the physical preparation for competition, and the upkeep of school work. As for the strong points of the team, Richard Bryant led the sprints, Harry Johnson, the hurdles and Trinidad Alcaraz distance running. There were also many hopefuls that coach. Molloy assured as potential succeeders. These runners are. Tom Seeker Paul Bodenshot, Anthony Ruth, and Suresh Krishnan.

The key to the Vikings success was the one hundred percent effort by every team member to score in every event and the hard work and determination which eventually led to victory

# Tennis Has a Smashing Season

It was a most unusual year for the boys tennis team. Due to a league change, the Vikings were faced with new competitors and new techniques. Knowing that the new league was a competitive one, the boys' tennis team practiced a set of rigorous daily exercises all year round

Even though the Vikings lost many of their experienced players due to graduation, the undersized, no-name Vikings led by impetuous Coach Charles Lamb overcame this hindrance.

Leading the singles squad was Loren Land, Peter Gertmanian, and Nicolas Woods Their spirit and talent were inspiration to the entire team. Standing out in the doubles department were Peter Trepp Charles Blinkenburg, Max Riedel, and Pierre Eldnor

As the tennis team was young in both years and experience, they showed that they could pull together, play as one, and have a prosperous season that they could be proud of and remember with dignity

Above Left: Peter Trepp demonstrates a perfect baseline forehand. Above Right: Loren Land and Pietre. Eldnor double their pleasure with tough serve and volley combination. Above: John Detaney attempts to ace his opponent.

#### **Team Excels**

Benefiting from the early morning and atternoon workouts, this year's boys' swimteam under the coaching of Patricia Mc-Cummins, had a prosperous season which exhibited their skill and ability.

Due to the close down of the pool, the boys' swim team started practicing only a few weeks before their first meet. Even though they had this tremendous setback. this didn't seem to hinder their performance

Entering a new league, the team members found this season a very challenging one, but with their longevity they seemed to overcome this factor

Most of the teams' success depended mostly upon their returning Varsity swimmers Excellent performances were made by Jan Sherry, Jo Wade, Greg Wade, and Brad Pickering

Even though many of the top swimmers will be graduating, Coach McCummins has high hopes for next years team.

J.V. SOCCER TEAM: Row it: Carlos Sepulveda. Tito Romero, Francis — opez ours Cervanies intique. Amez quita, Narciso Monge. Rigoberto Arias, Todd Lewis. Row 2: 1 of Kirk S. A. right. Nester. #### SOCCER KICKS.

VARSITY SOCCER TEAM: Row 1: Sam Putter burger Louis Villegas, Maunce Martinez, Eddie Perez, Chris Coiton, Faustino Ramos. Servando Carrillo Row 2: Jose Cabrera, Roger Kneg, Michael R. Miele I, Joe Bogaard, Jeff Koch, Paul Bodenshot, Matt Inman, Coach Ty Gaffney

When Coach Ty Gattney called his hirst practice, he envisioned the start of a building year. But this was not to be the case. An unranked, unnamed, (un-Rog 'enized) team comprised of primarity juniors, played a difficult pre-season and then stormed into league and took their first Rio Hondo League title in Blair's short soccer history. Coach Gaffney waited a long time for a title, and the team of 1982-83 finally did it!

With key victories over Giendale and PHS, the team finished pre-season with a respectable 4-2-1 record. After tying South. Pasadena and San Manno, Blair began its emergance with a whopping 6-3 victory over hapless Monrovia. The low point of the year came in the form of a 3-0 defeat at the hands of mighty Temple City. This was to be the only loss suffered in league. and left Blast in fifth place. The team began to gel in their rematch with South Pasadena. when they held on for a 1-0 victory. After hard-fought wins against San Manno and Monrovia, Blair began what will be remembered as the incredible "heliweek "In five day, Blair faced first-place La Canada twice, and Temple City once. The team knew they controlled their own destiny and made the best of their opportunity Sophomore Eddie Perez's first half goal held up in a heart-stopping, 1-0 victory over La Canada Blair gained a 3-2 revenge match victory over Temple City when Faustino Ramos set up Perez for a last minute goal. Blast clinched the title when Paul Bodenshot split the nets with a tie-breaking goal to complete a 2-1 trumph over La Canada. These three crucial victories catapulted Blair into first and gave Coach Gaffney his first title

There were many reasons for Blair's overwhelming success, but probably the most important was Rio Hondo League M V P. Faustino Ramos who finished with a magnificent 17 goals. Other key players were defensive star, Sam Puffinburger, rightwing Eddie Perez (9 goals), and half backs Paul Bodenshot (7 goals), Servando Carrillo, Matt Inman, and Mike Miele Contributing highly to the late season surgewere step-in full backs, Joe Bogaard and Tom Seeker Jeff Koch played goalie and did an admirable job in his first year of

Varsity

As the team jammed into CIF, they were greeted with the news of being 8th ranked in all of 2-A Soccer. This year will always be remembered for the unity and cohesiveness displayed by the soccer team. in their quest for the title. Many of the players adopted a phrase, that became a sort of motto: "The few, the proud, the soccer team." This was truly an unforgetable team which had an unforgetable year Yea!

## SOCCE.

#### C•H•V•M•b•I•O•N•2

# SKETBAL

#### $C \cdot H \cdot A \cdot M \cdot P \cdot I \cdot O \cdot N \cdot S$

Talent and strategy was the key to the overwhelming success of the Varsity basketball team. The team, under the coaching of Jim Hennacy, glided to an impressive and exciting season which will always be remembered as one of the best in Blair's history

The Vikings had an outstanding preseason finishing with a 12-3 record. During this time they entered three tournaments winning one and placing in the others Pre-season play brought the Vikings up against many teams who were in more competitive leagues. Despite this disadvantage, Biair won all of their games except for three, thus showing that they were a team that should be taken seriously

The team was triumphant due to the superior coaching of Jim Hennacy, Coach Hennancy feels that basketball is a team effort, there's no individuality. The team's success was also due to the intense practicing schedule. The team practiced nine months out of the year and approximately fourteen hours per week. Coach Hennacy only expects the best effort from his team. This is another factor that made the team so victorious. Among the contributors of this outstanding team were. Darren Robin. son, Darrin Underwood, Dorsey Smith Shawn Perrone, Glenn Jackson, Vaughn Rex, John Carlson, Troy Johnson, Philip Johnson, Langdon Mills, and Stephen Mckinney

One of their toughest games was against P.H.S. Never in Biair's history had the Vikings beaten P.H.S., but with Blair's genius they upset PHS for the first time ever Most of the players were psyched for the game due to their driving effort to be recognized as the best team in Pasadena Blair was aware of the power of PHS and they practiced diligently prior to the game. The Vikings overwhelmed PHS and accelerated to a grand victory. Darm Too Tall" Underwood scored an amazing twenty-four points to lead in scoring, but it was, as always, a team effort

The Temple City game was one of high scoring and good defense. Key players in this game were, Glenn Jackson, who scored a game high twenty-seven points Darrin Underwood, who scored fifteen points, and Dorsey Smith, who did his part by scoring twelve points

To cap off the season, the Vikings won a hard tought game against Monrov a. In this game where the score was close from neginning to end, the Vikings showed their

true championship quality. With only fifteen seconds left in the game and the score tred at 56-56, Darren Robinson scored a fifteen footer. After increascing the score by two points, the ball was stolen However, it was quickly recovered by John Carlson, who threw the ball into the hands of Darren Robinson. He was then fouled and therefore allowed to attempt two free throws. With only seconds left, Darren made both shots to win the game and clinch the title.

The victory against Monrovia enabled Blair to qualify for post season play for the fourth consecutive year. With this win Blair devastated every team in league by remaining undefeated. Their number two ranking gave Blair great hopes for a C.I.F. little.

### J.V.'s Have a Hoopful Season

The Junior Varsity Basketball team had an action-packed season which left its opponents spell-bound

The team had three leaders foreward Ken Campbell and guards Scott Bass and Leroy Parker

As Blair conquered it's opponents in the Rio Hondo League, it was less difficult than they had anticipated

Beginning their practicing schedule as early as November, the IV team developed an efficient offense. Defense proved to be the weak point, however, this factor did not threaten to put them in a losing position

After witnessing the early efforts of his team, Coach Tim Guy eagerly hoped for a league championship

Key games that displayed the J V 's competence were victories against leagueleading Monrovia and cross town riva Muir M.V.P. candidate Leroy Parker was instrumental in both victories

Most of the players will continue on to the Varsity level, leaving Coach Tim Guy to look for more players that can produce a winning record

Above: Tony Russell tips ball to teammate

FRON: SOPH BASKETBALL TEAM, Row 1: Edward Robinson, Fred Maybeld, Curtis Allen, Randy Rogers Christopher Rogers Christopher Boyd Row 2: Steve Robinson Robert Deed, Wendell Kimp Francisco Dias Bobby William

#### Young Netters **Shoot Forward**

Facing difficult pre-season competitors the Frosh/Soph Basketball Team had a reputable record. Guided by coach Nick Mckeever, the Vikings managed to play a strong, aggressive, man-to-man defense and a high scoring, disciplined offense

key was that boosted the Vikings morale were against San Marino, La Canada, and Temple City In these games the Vikings were considered underdogs, but with good strategy and able performance the Vikings prevailed against these teams, showing the championship quality they are known for

Outstanding players on the 1983 team were Chanes Hendericks, Robert Shaw Randy Rogers, and Chris Boyd These players all displayed excellent skill and technique throughout the season

Although this year's Frosh/Soph team was smaller than many of the teams they faced, their quickness and determination overwhelmed their opponents

## Baseball, Hot Dogs

#### Apple Pie, and Chevrolet

If you ever stopped to talk to one of the Varsity baseball players, one thing would become quite evident; baseball was always on their minds. But they had just cause to boast, the 1983 Varsity Basebal Team, coached by Joe Ballard and Dave Armatono, played a challanging and rewarding season.

A change to the Rio Hondo League had no major effect on the difficulty of play There is always a dominant team in each league and Temple City proved to be the one this year

The team's biggest drawback was the loss of five of their seven starters due to graduation. Top players include, Jose Carlos and Damon Wing, who have the best double play combination, Andy Provence, Luke Acosta, and Ray Skinner

The philosophy of the team is simple and straight forward; winning is the most important goal to strive for

As far as accomplishments, the team hopes to grow as baseball players and make it to the playoffs in the new league which means beating Temple City. Not onty did every member of the team prepare physically for the season, but they were dedicated to their sport which was quite obviously the key to the Vikings success.

Top: Rick Nowack fires up his throwing arm in an attempt for another victory Middle: Damon Wing gives it his all to prevent another run.

#### Spikers Give It Their All

The Varsity Volleyball team, led by Coach Pat McCummins and team captain Mary Perez, had an exciting but trying season. Despite the new league and lack of participants, the team improved tremendously Coach McCummins commented, "I had to put a whole new team together and they played well under the orcumstances." The senior members were lackie Bicket, Lone Dusenberry, Lynn Dimacali, Maya Monteroso, Leoretha Wells and kecia Twine

Fire Up" was the Junior Varsity team's main cheer, which is exactly what they did Under the excellent coaching of Herb Cohen and leadership from co-captains Aileen Galindo and Kirn Johnson, the JV team achieved an excellent 13-1 record Their only loss was a hard fought battle against La Canada. They also earned the trtle of Inner-City Champs by defeating Musr, Pasadena, and Marshall High Schools

#### Racketeers Do **Swinging Best**

The Girls Varsity and Junior Varsity Tenhis teams were greatly affected by the recent league change Both coaches Gayle DeForest and Charles Lamb felt that the new league was more challenging. This encouraged both teams to strive toward becoming more competitive

Practicing daily helped the girls to improve their skills and techniques. They learned to work both as a team and individuals in their practices and matches

Varsity and Junior Varsity had a trying year. Though they put up a tough fight, the Vixings were unable to deteat most of their opponents. But this didn't effect the girls, they enjoyed themselves and learned where improvements could be made.

## Young Talent; New Challenge

With several returning swimmers and outstanding newcomers. Coach Pat Mc-Currenins was able to lead the Girls' Varsity Swim Team into a successful season. From the beginning, the girls swam with dedication and enthusiasm in order to build its fundamental strength in preparation for competition.

The Vikings began practicing early in february, swimming an average of 200 lengths before and after school, not to mention Saturday morning workouts.

Among the outstanding newcomers was Emily Wade who helped returning swimmers Susan Oyakawa, Leanne Robertson and Tami Galindo lead the team on

The team opened the season with a win over San Gabriel 79-64. The dominant swimmers were Emily Wade winning the 500 and 200 Free Leanne Robertson the 100 Free and 100 Breast, Susan Oyakawa the 50 Free and Yanina Gallardo the 100 Back.

## CIF??? CIF??! CIF!!!

The Girls Varsity Basketba I Team under Coach Joe Bailard, proved to be a determined group of athletes. The Vikings opened the season with wins over Burbank 40-28 Pasadena 43-32 and Marshall 38-35. A hard fought game against Muir was the team's only preseason loss. Along with this excellent preseason record, the team received the first consolation trophy in the Ahambra Tournament.

The Vikings lost their league opener against Temple City, but the team rallied together to defeat La Canada and South Pasadena High Schools. The South Pasadena game turned out to be an "utter massacre" with Blair scoring 81 points to their 19. Suzy Sanderson had a team high of 31 points. After the game Crystal Brooks said, "We are going to CIF!" With all the skill and enthusiasm of the team plus steady guidance from Coach Ballard, the team was well on its way towards CIF.

The Junior Varsity team led by first year coach Dave Armotorio, had a good season learning and developing into strong players. The team was led by Sophomore Nadirah. Scott and Freshman Lola Hill AFTERWORD. The Varsity team achieved its goal for a CIF playoff berth by defeating San Marino and Monrovia High Schools. It is the first time a Blair girls' team has gone to CIF.

### Spikers Stride to Victory

The Girls Varsity Track Team emerged once again under the direction of Mrs. Gail Deforest. With her support and the experience of returning members, the girls proved that hard work and dedication are the key ingredients to a successful season.

The team, comprised mainly of sprinters was led by returning seniors Celwyn Scott Pam Dugan, and Pam Nears in sprints. Maritza Nieves in Hurdles, and Tracey Lawson and Leoretha Wells in field events. The distance squad, hampered in recent years by lack of participation, had many new faces. The squadwas led by Karen Baldeschwieler

The team opened the season with a winover Albambra. The meet, which was even tually cancelled due to rain, gave Coach Deforest the opportunity to view her team in action. Contributions from veteran and new members helped to tuse a competitive team.

Aside from the usual league meets, talented Gain members also participated in invitational meets such as the Pasadena Games and the Mt 5ac Invitational

#### **Energy Pays** Off

The Carls' Softball Team, consisting of underclassmen, played diligently and successfully throughout the season. With the hard work exerted at afterschool practices, Coach Jane Wydkoff was pleased with the enthusiasm and energy that her team revealed

With no returning seniors, new coach Jane Wyckoff relied upon the experience of returning members to get off to a fulfilling start. Among these players were Valene Robinson, Rosita Cesari, Renee Ellison, Deanna Furlong, La Tarsha Garlandi and Winette Graham. The returning players were aided by outstanding newcomer freshman Rhonda Price at first base. Rhonda who is a fantastic, wellrounded player, also assisted with pitching Other members of the infield were Michelle Calloway, a solid player, at catcher; Valene Robinson at shortstop, and Winette Graham at third base. The pitchers were sophomores Alicia "5murf" Pineda and Jackie Goldsmith. The outfield was comprised of LaTarsha Garland in left field and fine performances by newcomers Dee Willis, Kim Stevens, and Kim Johnson

#### Juniors Have Class

This year saw the Class of '84 finally break thorugh. The class established itself as a unified power in everything from assemblies to fund-raisers to sports events They kept an even pace with the Seniors in funds despite the fact they had one less year to do it. Atter this year of hard work. the juniors eagerly anticipate the joy and glory of being Seniors next year

The Class of '84 actually began their climb last year when it was announced the traditionally Senior Varsity Cheerleading squad, was all juniors. When these girls made their first appearance, the class railled behind them, and made their voices heard in approval. At every football and basketball game, throngs of juniors could be seen in support.

The juniors showed their spirit in many diverse ways. The mascot try-outs were dominated by juniors in quest of displaying their spirit. The Halloween assembly came. aive when a group of juniors performed their "Flashing Businessman Drill-Team Routine "Perhaps the juniors' best aspect was their wit. In response to the money hungry seniors' call, "We got spirit, yes we do! We got spirit, how 'bout you?" the funior Class loudly proclaimed, "We got MONEY, yes we do! We got MONEY how 'bout you?

These penaltimate seniors certainly did have money. Their list of fund-raisers seems endiess. They went from candy to car-washes, from pom-poms to pop, from flowers to floats. Good attendance at meetings, positive attitude, and enthusiastic support were all instrumental in the success of these events

Many people were responsible for the Class of '84's prosperity, but perhaps the most important was tireless Advisor Gladys Roshko Her method of treating the officers with the greatest respect and always being there to help out when needed was one reason for not only their achievement but also their overall image. As the old cliche goes, the Juniors can hardly "wait 'til next year!"

### "Sophomoritis" Anyone?

No longer the guinea pigs of the school sophomores realized that their status was growing. Becoming more familiar with the faculty, the rules, and the everyday routine, the sophomores began to make themselves at home. As the 1983 school year came to a close, the sophomores realized that they had finally hit the half way point. The difficulties of getting started were behind them, leaving only the good times to come

The Class of '85 organized many new and exciting activities. The creative ideas that came from various sophomores, such as the dog wash, and the umbrella sale soon were eliminated. All was not lost. however, as the following sophomore fund raisers made up for earlier failures The other scheduled activities followed through with flying colors. They held a very successful car wash, candy apple sale, and a See's Sucker sale. Unlike every other dass, the sophomores dreamed up new and original ideas. Instead of selling Homecoming flowers, they organized a trip to a T V game show. Not only to earn money, but to have some fun as well. Neil-Covington, a new teacher at Biair was the Sophomore Class Advisor. She did a very good job maintaining the discipline that was needed at class meetings. Emily Wong and Marcus Dawson, the semester presidents, also contributed a great deal to the organization of the fine activities. The sophomores are well on their way to becoming one of the most successful classes at Blair

The Class of '85 didn't need assemblies as spirit boosters. They were already filled with the enthusiasm needed at sports events. They just came for the fun. Being a sophomore is almost as hard as being a treshman, but in a different way sophomores can't use "being a freshman". as an excuse for getting lost, or acting silly sophomores are easily spotted, mostly because of their ability to get along with others. Everyone agrees that the Class of 85 has the potential to make their final years at Blair extremely beneficial

#### Freshmen **Emerge With** Spirit

Lost and confused, the freshman class found itself surrounded by new faces, new teachers, and a completely different atmosphere from the one they had left behind. Little time elapsed before this group of newcomers gathered together to pian for the years ahead

Raising money, however, was not the primary focus of this interesting class. With the new-found freedom and choices that high school offered them, they engaged themselves in countless numbers of acby ties offered at Blair

The Class of 1986 lost no time in the confusion that usually accompanies in the first year of high school. They showed a surprising amount of participation and enthusiasm at pep assemblies and various sport events. Looking forward to three more exciting years at Blair, the freshman class proved its emerging Viking spirit

## \_ C.S.F. \_\_

#### Members Enjoy Tea For All!

Once again, Biair's C.S.F. Club enjoyed a successful and enterprising year. Under the supervision of Mrs. Judy Taylor, the industrious club members found innovative ways to create activities while sustaining traditions. They organized the first annual C.S.F. Christmas Teal to which all teachers and C.S.F. aiumnus were invited. The mouth-watering feast was prepared by club members and enjoyed by all C.S.F. instituted a program offering tutoring assistance to Bair students and it was a great service to the student body. Their active year was brought to a close at the

senior awards banquet. The members graciously provided flowers and refreshments in celebration of their well-deserving classmates.

The California Scholastic Federation has maintained its distinctive and reputable name throughout our school's entire history. The organization will continue to develop in its recognition of outstanding and academically inclined students at Blair High School.

#### Imaginations Run Wild

Imagine this it is a finday, overcast night and a full moon is peeking out from behind the thick fog. We are in the middle of nowhere and the moonlight is shining down on two dozen unrecognizabale beings engaging in a ... human sacrifice? Who are these madmen anyway? Why it's Blair's Gaming Club, of course!

This was the club's fourth year and undoubtedly the most productive of them all' These extravagant minds were gallantly led by President James A. Krieg, Vice President Robert Kirkpatrick, Treasurer Mike Leflore Secretary Eleazar Vita, and Head Pigeon Trainer And Chief In Charge Of Dry Bread Uwe Roth. They utilized the club primarily as an outlet to vent inner hostilities, to light cavity creeps, and to fearlessly go where no man has gone before. While most dubs were discussing candy sales and car washes, the Gaming Club was preoccupied with plans of providing financial support for a military coup in an African nation to be named only under subpoena by the Ser ate subcommittee.

It was a genuine challenge for Advisor Mr Chuck DeVore to attempt to keep this unpredictable behavior under control. The most realistic benefit of the club was that it kept, the small population of homicidal maniacs off the streets at lunchtime on Tuesdays and Thursdays.

#### Asia Comes West

Throughout it's development, the goaof the East Mes. Club has been to unite. Eastern and Mestern cultures within the Bair campus The advisor, Mr James Hsu and the officers. President lanet Yang, Vice. President Sandy Zen. Secretary Lulu Fou. and Treasurer Thien Mac accomplished this feat capably. Their dedication and diligent work for the dub were quite apparent. The members gathered frequently for casual luncheons, bowling trips, picnics and athletic events. They organized the tirst annual Chinese Chess Contest and after a grueling competition, Huy Trinh and Kwong Wun reigned as the victorious winners. The Christmas holidays were celebrated with a dancing party heid in the cateteria Inevitably the combination of good music, good tood, and good company made it a successful evening. The East-West Club's activities came to a climax at the traditional Asian Queen Contest The queen and her court made a glowning appearance before the student body at a well-attended assembly

One of the more recent varieties of the club was the membership of a few Westerners "They became familiar with various facets of the Asian culture and it was an eye-opening experience for everyone.

#### SWIM =

#### Swimmers Left in the Cold

This year's athletic program suffered from a severe budget cut. Our two swimming pools were forced to shut down dur ing the winter months on account of the expense needed to heat them. Advisor Miss Pat McCummins President Susan Oyakawa, and Vice President Leanne Robertson overcame this obstacle and managed to keep their club busy in other ways. The Swim Club treasury was over whelmingly profitable last year and the girls were fortunate enough to be able to omit time consuming fund raisers. Instead, the swimmers painted bright, encouraging and spirited banners for the water polo games. They also trained intensely outside of the pool to prepare themselves for the demanding spring swimming season

#### NORTHSTAR

## Journalists Triumph in '83

The 1982-83 North Star staff produced an informative newspaper. The ideas and inventiveness of the staff members progressed through the fall and spring editions. They worked enthusiastically to create a 6-8 page publication which included mind boggling crossword puzzles, captivating articles, and controversial editonals

In planning this year's fund raisers, the staff pulled together to come up with new approaches for profitable results. There were candy sales in the fall semester and the Christmas ornaments sold in December earned a very merry profit

Working diligently, co-editors Kathy Zirbe and Brent Walts promoted writing skills under the direction of Miss Virginal Berretini whose radiance and encouragement showed in her staff's work. At the beginning of the year she observed the journalism classes of other high schools and at U.S.C. with hope of achieving new iterary skills

Through the dedication and organiza-tion of the staff, the North Star become a prominent and familiar part of Blair High School

#### i.C.C.=

#### Will I.C.C. U at the Meeting?

The 1982-83 Inter-Club Council made a few more steps this year in its quest to become the smoothest running operation on campus. With the addition of a new postition, the council became more focus ed as well as efficient ASB recognized it as an excellent tool in which to communicate with the masses at Blair, and used it extensively in the Leadership Conference

With the passing of an amendment last year, the position of Clubs Commissioner was introduced. Brian Stevens was elected. as Biair's first commissioner and he did an admirable job. His position consisted of

chairing the meetings and keeping the discussions rolling Helping Brian with the task were officers, Mark Serruner and Emily Wong

In Blair's Leadership Conference, most of the members of ICC were chosen as delegates. They came to represent their clubs and provide the ideas and suggestions brought up by their club members. It was decided that LC C, must be utilized to its full capability in order to bring more unity to the school. Although this was not a year of action, ICC built a firm foundation as the governing body of clubs

Built's Astonomy (1) the heat for the stars this year. with much enthusiasm. The purpose of this club was to develop the minds of students in science and astronomy The club members were able to intermingle and make new friends who shared the same interests. Advisor Mr. james Hsu organized several fascinating field trips to the Museum of Science and Industry in Los Angeles and to Gritith Park Observatory Cal Tech offered a senes of science lectures for high school students of which the club members faithfully attended. The highlight of their activities was undoubtedly the overnight camping trip in the mountains. The aspiring astronomers marveled at the intriguing aspects of the stars and our universe.

Astronomy is a rapidly growing club that is looking for ward to many years of serving Blair's students with unlimited boundaries to explore

#### \_\_\_ L.A.S.A. =

#### Latinos Show Their Pride

Since the beginning of the Latin American Student Association over a decade ago, the dub has flourished into one of the most prosperous organizations on campus. Their 1982-83 year abounded with a continous flow of fundraising activities

Five dances were held during the year and there were excellent turnouts in cluding the supportive LASA members and hundreds of their friends and acquaintences. Chocolate bars, lollipops candy apples were also sold on the campus. The club had good reason to till their activities' calendar with so many fundraisers. The profits were needed to finance the Latin American Students graduation dinner and dance which was held at the beautiful Agajanian Hall in Pasadena. Some 200 to 250 parents and

relatives of the graduates attended this formal occasion and the music of a specially selected band livened up the evening. Not only were all of the Latino students given a tree ticket to the celebration, they were individually presented with a handsome gold plaque bearing their name. As is traditional, the club awards about twelve ambitious graduates with scholarships to assist in furthering their education.

The demands for direction and organization were great as were the sustenance and stability of the advisor and club of ficers Mr Mano Gallo President Rosalinda Meza. Vice President Patricia Guzman Secretary Nina Berrios, and Treasurer Virginia Paniagua aimed their year long et torts towards unifying the Latin American population at Blair High School

# King Commemo-rated at Blair

The day of Dr. Martin Luther King's birthday attracted a memorable audience to the Blair gymnasium on January 13th, as the students were entertained by slides, speeches, and songs. One of the many songs sung was led by the Mayor of Pasadena, Loretta Glickman, with musical accompaniment provided by the J.C Singers, directed by Mr. James Cousins The tribute, entitled "We Salute the King was carefully planned and smoothly presented by the Black Student Union. The culmination of the week's events in memory of Dr. King was ended with a special luncheon that was held in Mrs. Chandler's room. The BSU members brought a variety of appetizers and entrees that were shared among the Blair faculty. The jovial atmosphere was extended once again through the J.C. Singers who entertained everyone with their lively spirited songs Advisor Mrs. Phyllis Brookins and the

club officers, President Lesile Kirksey, Vice President Earnestin Thomas Treasurer Misty Tolbert, and Secretary Sharonne Bowers guided the BSU through such productive fundraisers as a pickle sale and also the selfing of festive, holiday stockings at Christmas

The Black Student Union will continue to strive towards their main objective of promoting black awareness in our school and celebrating Martin Luther King who set all precedents for racial equality within our society

#### = SPANISH =

#### Food for Thought

If it seems like the fun-loving members of the Spanish Club have been getting a little chubbier, then it probably isn't your imagination. This club has devoted most of its energies towards learning about the Spanish culture and language through tantalizing and toothsome Spanish culinary delights. Throughout the year the members made several excursions to various Mexican restaurants in the Pasadena area

Advisor Dr. Jack Battaglia arranged for the club to spend a leisurely day at Olvera Street in Los Angeles. The bright, cheerfuatmosphere at the Mexican festivities made it an emoyable outing for everyone The members browsed through the small shops and were frequently amazed with the meticulous handiwork of many products. The food lovers of the club refrained from shopping and immediately discovered where the mouthwatering delicacies could be found.

The casual attitude of this club made it a very popular one among the Blair students The Spanish Club was managed in a very organized manner and the attendance at the club meetings every Tuesday was indeed impressive. Maybe this proves that the best way to get to Blair students is through their stomachs

#### 

#### Skiers Were In Heaven at Purgatory

Skiing is generally regarded as one of man's most enjoyable pastimes and this year the Blair Ski Club verified this fact in force with a seventy member organization. just rearm' to hit the slopes for some radical mogul bashing vitality and enthusiasm never felt before. Ms. Wyckott had so much vitality in fact it has been rumored that none of Ben Steelhead ir 's (Co-Advisor) or John Jeffries (President) vitality was ever even called for Being local President of the USSA, she did a tine job of getting massive discounts for everyone on the week long trip to Purgatory, Colorado

The trip took place during the Fas ern vacation and was not an experience soon o be torgotten, phrases such as mondo party animal." "Why not do it in a hot tub/" and "her moguls were as pure as the driven snow are still very popular around the snow-crazed clan on the very unskiable Blatt campus

It was a fabulous combination of funpeople fantastic conditions, and a formid ble night life that led everyone discover the true party spirit lurking within their wanton souls

In a year of social discontent and cons fant clique reconstruction it was a hearten

ng experien e to thit an organization where personal arguments were put aside n tayor of including in the very pleasant teeling of ripping through the snow with the tremendous velocity of a greased MX missile. It was a memory to be cherished. allowing seniors to enjoy each other oneast time and enabling all others to realize that there is more to life than the pretentious social revelations of a small. #### Tenathon Proves Profitable

When was the last time you spent five painstaking hours steadily pounding out forehands and backhands, stinging volleys booming serves, and obliterating overheads? The 1982-B3 Blair Tennis Club successfully endured two Ten-althons in the winter and spring months The members were well rewarded for their physically exerting endeavor. The collection of piedges for each game played and various donations yielded an impressive addition to the Tennis Club's treasury. The Boys' and Girls' tennis teams were hopeful that the money would provide them with

new warm ups and/or uniforms

A small group of tennis enthusiasts took a private excursion to the Forum to view the dueling exhibition match between two superstars Bjorn Borg and Jimmy Connors The members had the opportunity to perform an exhibition of their own at the Blair PTS A Benefit Tennis Tournament

Advisor Mr. Charles Lamb was delighted in the rising popularity of this club at Blair He collaborated with President Paula Chan to guide the dub's efforts toward developing interest in tennis and increasing the skill level of its members

TENNIS CLUB: Row 1: km Scharre Tami Calindo Dianna Lau, Katya Armistead, Paula Chan, Julie Castro Row 2: Nacole Moore Emily Savoie Anne Esbenshade Shelly knowles, Ann kikulichi, Advistii

Mr. Chuck Lamb. Loren Land. Row 3: Philip Kramer John Delanev John Peterson, David Ournones, Peter Trepp, Charlie Blinkenberg, Katle Carlson, Mike Co-eman, Arry Wood, Nick Woods, Peter Gertmenan

Top Right: Nick Woods daringly adds an American twist to his second serve in the twelfth point of the tio stakes

#### = MECHA =

#### Hispanics Unite

There were many Blair organizations dedicated to cultural learning but one of the most noteworthy was Moviento Estudiantif Chicano de Aztlan. The club members not only gained knowledge of their culture, but also acquired knowledge of themselves. To stimulate the member's interests. Advisor Mr. Aaron Sotelo took his students to universities to observe culture presentations with hope of reaching a gradual recognition granted to Hispanic students on and off campus.

Pulling together, club President Jaime Salazar and the Mecha members initiated a profitable fundraising campaign. The campaign was launched with a dance, car wash candy sales, and it climaxed with a car show held in mid-December. The crowd pleasing event provided such attractions as custom built cars, four wheel drives, and even some rare collector's items. The proud owners displayed their cars with well deserved trophies from previous contests.

The original purpose of Mecha was to organize and unite the Hispanic community. With the passage of time Mecha became an integral part of the school and A.5.B. came to rely on their support.

> Thank-you very much, The Yearbook Staff

### ATTENTION ALL SENIORS!

You have now reached the stage in life when you become eligible for draft registration. Having carefully considered all our options, we feel that rather than participate in any form of comat, nuclear or otherwise, we would rather classify ourselves as Conscientious Objectors. This status implies that you are against any form of violence and are not prepared spiritually or mentally, to partake in any form of national military movement.

We strongly urge you to consider carefully all your personal beliefs in this matter and then make your choice accordingly.

Peacefully yours, C.O. John and Mike There's Really No Alternative

P.S.A.T... Foul-up, Oh well, that's life
The work starts to become too much but
games dances... parties
the work somehow gets done

Yearbook ... Lavouts Deadlines ... Late hours
Very Ditterent People
Very Funny People
Very Enendly People
Very Good Friends
Very Wonderful
Seniors leave 1 Bye-Bye

"You're a Senior!"
Not me
"Yes you!"
"We have no money"
"Get on the stick and earn it!"

Have you heard yet?

College Applications (Why do they ask such stupid questions)

Have you heard yet?

Scholastic Achievement Test (Oh No. Mr. Bill),

Have you heard yet?

Deadline (Not yet, I'm not ready)

Have you heard yet?

What am I supposed to write about myself?

Flave you heard yet?

Puget Sound? Where's that?

The life of a senior is so hectic One big head-line

A S B Talls apart . . . Awesome Basketball Team Goes C 11
Big Boy falls Off the Roof . R. Seniors Do Mad-Rush Fundraising
In Hopes of a Non-Catetena Prom — Kaleidoscope is a Blast
and suddenly —

the headlines are over

As I sit here in the empty amphitheatre and
Reflect
Contemplate
Ponder these last four years,
A mood of submissive sadness talls over me
and I realize that with fanfare and glory
and then deatening silence
That it is over and it wasn't bad . . . and it was fun
This place
was my place

our place

a good place to be
